FOR IMMEDIATE RELEASE

Sunrise Management Launches Regional Office In Arizona

Over the past 18 months, Sunrise Management – a San Diego-based residential real estate management firm – has been quietly expanding the territory it services. And now Sunrise has grown to manage over 9,000 units in California and Arizona – from Los Angeles to Phoenix.

The most recent additions to the Sunrise portfolio are:

- Cameron Creek Apartments (Tempe), where residents can choose from smartly designed one and two bedroom apartment homes and enjoy year-round recreational amenities including a rejuvenating pool and relaxing spa.
- Sun Villa Resort Apartments (Mesa), offering 98 newly renovated apartment homes available for long-term rental, where every unit has access to the full complement of services available to residents of the Fountain of the Sun master planned community.
- Orchard Mesa (Mesa), which provides an ideal adult living environment in a beautiful garden atmosphere for those 55 and older. Residents enjoy the finest activities the southwest has to offer while living in apartment homes delivering the utmost in comfort and privacy.

“For 40 years we’ve been known as THE property management company to turn to in San Diego Country” says Tina West, Sunrise’s Chief Operating Officer. “Over that time, Sunrise has increased its level of services provided to include management, acquisition analysis and consulting, and development of income-producing properties in a wide range of categories, including conventional housing, senior living, affordable housing and mobile home parks.”

“Our reputation for staying ahead of regulatory and compliance issues, helping clients protect their investments, and finding ways to make technology work to the advantage of clients, staff and residents speaks for itself.” West notes, adding “We’re delighted to be bringing our track record of service and results to the Grand Canyon State.”

Sunrise is an IREM Accredited Management Organization[®] with a team of highly-trained staff of CERTIFIED PROPERTY MANAGERS[®] (CPM[®]) and ACCREDITED RESIDENTIAL MANAGERS[®] (ARM[®]). They are typically considered to be the industry's most respected credential for residential site managers. More information about Sunrise can be found online at www.sunrisemgmt.com.
